

How to Start a Home Decor Blog: Profiting From Your Decor Ideas

Are you a lover of all things home decor? Do you dream about blogging about the newest in furniture, wacky designs and textiles that define your homes personality? This book has been designed to help you start a blog and create income streams, so you can start making some money off your passion. The interior design industry is growing thanks to e-commerce and peoples decisions to browse around on the internet for ideas have created hundreds of opportunities. And this is where you could be a powerful player. How to Start a Home Decor Blog: Profiting from Your Decor Ideas gives bloggers plenty of tools to get started and provides a detailed business plan for those who may have ideas of their own. This book will teach you how to make money from a product-based industry and show you how to publish your own books on the subject, creating even more income opportunities. If you are thinking about entering the decor space with an online business idea, then this book is for you. The ideas presented in this book allow you to make blogging a marketing tool rather than the focus of your website, meaning you can apply all of the strategies within to just about any interior design business.
