

## Subliminal Japanese (3CDs + Guide) (Patented Method for Rapid Learning!)

A revolutionary new approach to language learning based on scientific research. A terrific way to jump-start language learning, the Subliminal system is an audio-based approach that engages both hemispheres of a learner's brain, simultaneously, for quick, long-lasting results. The only commercially available system of its kind, the Subliminal series: Features a unique multisensory approach combining listening, speaking, reading, and writing for maximum retention. Is scientifically proven to be the quickest, easiest way to learn the 1,000+ foreign words and phrases most used in everyday conversation. Includes three 75-minute audio CDs and a companion workbook.
