

Kids Travel Today: Cruising With Kids, Western Caribbean (Kids Travel Today: Traveling with Kids)

Thank you for purchasing our book! We understand that you value your vacation time with your children we do too! Each trip, our family spent weeks trying to figure out where we would travel for the best places and locations that would entertain both the children and adults in our family. This book focuses on cruising with kids. This book will give you detailed information about our cruise and ports of call, as well as save you time and help you plan a great vacation! We give you first-hand experiences and reviews of what worked for our children and what we would do differently now that we completed our cruise. We hope that we can help you have a better vacation with your family as your kids travel today. Along with our series of eBooks, we have a comprehensive website that provides you with additional travel tips, ideas, and information. Please visit us at www.kidstraveltoday.com.
