

Successful Blogging in 12 Simple Steps

Successful Blogging in 12 Simple Steps is the easiest and fastest way for writers and small business owners to learn about blogging. It's a combined self-study course and workbook you can follow at your own pace which will: Save you time - get the essential information without being overwhelmed. Stop costly mistakes - learn how to plan your blog effectively and brief your web designer. Make learning fun - it's a practical guide for non-technical people. Get you new readers and subscribers - and keep them coming back. Establish your expertise - because blogging will get you noticed. Help you win new business - because successful blogs turn visitors into customers. Written by Annabel Candy, founder of the popular travel blog Get In the Hot Spot. Annabel has an MA in Design for Interactive Media and 17 years experience designing and writing for the Internet. She specialises in demystifying social media to help other small business owners, consultants and freelancers tap into the power of blog marketing.
