

## Pardon My Spanish! (Spanish and English Edition)

This brand-new pocket-sized Spanish slang dictionary gives a thorough treatment of the most common words and phrases in current use. An unabashed, unprudish collection of non-standard language from the colloquial to the vulgar, it features thousands of examples that show how terms are used in context. More than just a list of rude words, the dictionary shows how these words function in racy and colourful idiomatic speech.
