

Money Talks: My Autobiography

Owen Money - impresario, entrepreneur, philanthropist - these are just some of the words which describe the loveable rogue. As a teenager he was torn between becoming a professional footballer or a pop singer. The lure of the bright lights and the thrill of performing live beckoned him and he has since starred on stage, screen and our airwaves regularly. In 2007, the Queen awarded him the MBE. He is the winner of two Sony Gold Awards for services to radio. This lively, funny memoir will make you laugh and cry and warm to one of the most popular entertainers in Wales.
