

A Funny Thing Happened on the Way to the White House: Humor, Blunders, and Other Oddities from the Presidential Campaign Trail

Charles Osgood, one of America's favorite news personalities, offers a hilarious compendium of anecdotes from the last seventy years of presidential campaigns. With anecdotes from Harry Truman to JFK to George W. Bush, *A Funny Thing Happened on the Way to the White House* captures the wit and humor of the campaign trail. Culled from speeches, interviews, press conferences, as well as articles written by and about the candidates--no source is left untapped. From Bob Dole telling reporters after a loss in the primary that I slept like a baby--every two hours I woke up and cried, and Barry Goldwaters comment that his talkative opponent Hubert Humphreys has been clocked at 275 words a minute with gusts up to 340, to Adlai Stevenson declaring that If I talk over the peoples head, Ike must be talking under their feet, this is the go-to source for campaign humor. Just when America most needs a good laugh, *A Funny Thing Happened on the Way to the White House* makes the seemingly endless race to the presidency a lot more fun.
