

A Humorous, Irreverent Guide Through Disneyland

Do you love Disneyland? Love The Mouse but dont take yourself too seriously? Well then, this is your book! Ill give you my straight talking reviews with a dose of my irreverent adult sense of humor. Ill share with you reviews of rides, attractions and dining, as well as tips, tricks and little known facts about Walt's folly, obsession and greatest gift to the world. Welcome to Disneyland - The Happiest Place On Earth. Dive right in to the fun including the NEW Fantasy Faire. This Park was Ealts passion and it is special. This is the only park that Walt actually walked in. Im here to help you have fun, with my special brand of adult humor. Granted, just because I love the Parks does not mean everything is hearts and flowers. If I think a ride is a waste of your valuable time, Ill tell you. Ill give you my opinion of a rides suitability for children and adults. Just because I like or dislike something does not mean you will have the same experience, although I do believe I have very good taste. You have been warned. Honestly, my goal is for you to have a laugh, a great vacation and face it, if you are going to the Disneyland Resort - you need a plan in advance. New for 2014 - a FREE downloadable content (DLC) copy of my new humor travel novella The Mouse Ate My Money - Vol 1. The code is in the back of each paperback guidebook for a free e copy.
