

Blasphemy or Common Sense

You've probably been taught to travel on the religious road all of these years. Now, why not venture down a common sense detour path for just a short time. When you have completed this book, if you still want to continue in your beliefs, that's fine. All you did was read a book that hit your funny bone. But if some of this information has caused you to take a second look at your belief, then the book accomplished what it set out to do, free you from myth and caused you to believe in yourself.
