

Algorithmic Decision Theory: Third International Conference, ADT 2013, Bruxelles, Belgium, November 13-15, 2013, Proceedings (Lecture Notes in ... / Lecture Notes in Artificial Intelligence)

This book constitutes the thoroughly refereed conference proceedings of the Third International Conference on Algorithmic Decision Theory, ADT 2013, held in November 2013 in Bruxelles, Belgium. The 33 revised full papers presented were carefully selected from more than 70 submissions, covering preferences in reasoning and decision making, uncertainty and robustness in decision making, multi-criteria decision analysis and optimization, collective decision making, learning and knowledge extraction for decision support.
