

New Zealand Adventure Guide (Adventure Guides)

We travel to grow our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Adventure Guides unique. Written by a native New Zealander, this guide covers every region and town, with in-depth information on the Maori culture, the remarkable places to stay and eat, vineyard tours, cooking schools, thermal springs, albatross and whale encounters, scenic drives, and more. Canoe the Whanganui River, ride in a hot air balloon, hike the Waikaremoana Track, explore Whirikana Forest Park, take a glacier tour. There's even a section on how to talk Kiwi English! Photos, maps. Print edition is 622 pages. The book is great. I love the www references, the personal touches and for me the descriptions and comments make me feel like I am already there. --Richard Hart

An activity guide packed with detail on everything from horseback riding and camping to fishing, cruising, hiking and more. Chapters are organized regionally and make it easy to look up local accommodations and eateries, inland and water adventures, and even small local maps for quick consultation. --Midwest Book Review
