

Issue Magazine: 03 - 2015

Issue Magazine 03-2015 opens with a series of Shoot Yourself swim fashion images, where models go behind the camera, which runs along highlight features of new art books, music and films. Conversation-style interviews unfold between musicians Rodrigo Amarante and Antony Langdon; poets Jacqueline Suskin and Mandy Kahn; and the band Girlpool and Sam Cook-Parrott of Radiator Hospital. Spanish girl-group Hinds plays an exclusive show from a bathtub, artist Jordan Sullivan shares his new monograph, and Carson Brown talks staging renegade art shows in big-box stores across the country. The cover shoot features Shameik Moore of Dope, complete with interview. Fashion highlights include images and an interview with actor Kodi-Smit McPhee, Land of La La fashion editorial, and a Japanese Boro shopping story. Actors and models share their ambitions, turn-ons and favorite movies in the Go-See series - featuring Ruby Rose, Elise Eberle, Dylan Gelula and Tony Revelori.
