

## There is Always Another Boogey Man

There is Always Another Boogey Man is a work of narrative nonfiction, a compilation of the 50 Worst of the Worst Homosexual Serial Killers in our collective history. Some names may be familiar, most are not. All include aspects and stories that were not fit for public consumption at the times the crimes were committed. There are tragedies and ironies of the investigations, the trials and convictions. Missing details now made public, that make a reader shudder and leave some disgusted. The subject matter is HORRIFIC more frequently than not. Take a glimpse into the dark minds of serial killers, who prey on boys and men.
