

Apache Hadoop YARN: Moving beyond MapReduce and Batch Processing with Apache Hadoop 2 (Addison-Wesley Data & Analytics Series)

This book is a critically needed resource for the newly released Apache Hadoop 2.0, highlighting YARN as the significant breakthrough that broadens Hadoop beyond the MapReduce paradigm. From the Foreword by Raymie Stata, CEO of Altiscale *The Insiders Guide to Building Distributed, Big Data Applications with Apache Hadoop YARN* Apache Hadoop is helping drive the Big Data revolution. Now, its data processing has been completely overhauled: Apache Hadoop YARN provides resource management at data center scale and easier ways to create distributed applications that process petabytes of data. And now in Apache Hadoop YARN, two Hadoop technical leaders show you how to develop new applications and adapt existing code to fully leverage these revolutionary advances. YARN project founder Arun Murthy and project lead Vinod Kumar Vavilapalli demonstrate how YARN increases scalability and cluster utilization, enables new programming models and services, and opens new options beyond Java and batch processing. They walk you through the entire YARN project lifecycle, from installation through deployment. You'll find many examples drawn from the authors' cutting-edge experience first as Hadoop's earliest developers and implementers at Yahoo! and now as Hortonworks developers moving the platform forward and helping customers succeed with it. Coverage includes YARN's goals, design, architecture, and components show it expands the Apache Hadoop ecosystem Exploring YARN on a single node Administering YARN clusters and Capacity Scheduler Running existing MapReduce applications Developing a large-scale clustered YARN application Discovering new open source frameworks that run under YARN

Buy Apache Hadoop YARN: Moving beyond MapReduce and Batch Mar 19, 2014 Apache Hadoop is right at the heart of the Big Data revolution. Apache Hadoop 2 and YARN truly deserve to be called breakthroughs. Moving beyond MapReduce and Batch Processing with Apache Hadoop 2 And now in Apache Hadoop YARN, two Hadoop technical leaders show you how to **Apache Hadoop YARN: Moving beyond MapReduce and Batch** Aug 30, 2016 Pro Hadoop Data Analytics: Designing and Building Big Data Systems using the Spark, YARN, and HDFS (Addison-Wesley Data & Analytics Series) (2016) Apache Hadoop YARN: Moving beyond MapReduce and Batch Processing with Apache Hadoop 2 (Addison-Wesley Data & Analytics) (2014) **Apache Hadoop YARN: Moving beyond MapReduce and Batch** Apache Hadoop YARN: Moving beyond MapReduce and Batch Processing with Apache Hadoop 2 (Addison-Wesley Data & Analytics) (2014) by Arun Murthy **Apache Hadoop YARN [electronic resource] : moving beyond** Apache Hadoop YARN: Moving beyond MapReduce and Batch Processing with Apache Hadoop 2 (Addison-Wesley Data & Analytics) (Englisch) Taschenbuch 19.
