

Appointments with Heaven: The True Story of a Country Doctors Healing Encounters with the Hereafter

Meet the country doctor who visits the front porch of heaven...and witnesses what awaits us there. When a patient first asked Dr. Reggie Anderson to sit at her bedside as she passed from this life, something miraculous happened. As he held her hand, the veil between this world and the next parted...and he received an astonishing glimpse of what awaits us in heaven. Little did he know this was just a foretaste of what was to come - a lifetime of God-given appointments with heaven. Join Reggie as he shares remarkable stories from his life and practice, including the personal tragedy that nearly drove him away from faith forever. As he reveals what hes seen, heard, and experienced of the afterlife, well learn how we can face the passing of our loved ones with the courage and confidence that well see them again; discover what might happen when we expect the miraculous; and prepare for our own appointment with heaven. Soul-stirring and hope-filled, Appointments with Heaven is a powerful journey into the questions at the very core of your being: Is there more to life than this? What is heaven like? And, most important: Do I believe it enough to let it change me? A beautiful tapestry...an appointment with heaven that will make you smile and cry as you soak it in.
