

Photoshop 7: Mastering Artistic Design

Step into the world of Photoshop mastery by learning the advanced features of Photoshop 7 with Photoshop 7: Mastering Artistic Design. You'll soon be achieving stunning results by using Photoshop with a variety of artistic mediums such as photography, line drawings, graphics, and Web design. Eighteen full-color projects, each with step-by-step instructions, will guide you through the process of producing visually stimulating Photoshop creations. Also, each project is introduced with a two-page spread that shows an exploded view of the layers of the final work of art. A CD with a full set of source images is included.
