

Bestseller Tactics 3: Facebook for Authors - How to sell more kindle books on Amazon with an automated marketing machine

Automated Book Marketing for Authors Including Video Lessons

The idea with becoming a writer is that you build a passive income stream right? That's possibly why you started writing in the first place. Passive Income should be income where you don't have to spend the rest of your life marketing. When that happens, you are back to trading time for money, and that's not passive is it. This entire Bestseller Tactics book series will help you put in place not just passive income, but passive book marketing too. It will walk you, step by step, through a comprehensive author marketing plan with techniques that will do just one thing, sell more books. The first volume in the series covers your book before its published; If you get that part right then you will never have to go through major changes again. Volume two in the series gives a full step-by-step marketing strategy to launch your book along with advice of the continued marketing of your titles. This sales page is for Volume three - In this book you are taught how to use some software to create an automated marketing machine on Facebook. A little of what you will learn: The phases of marketing your book and what techniques to use. Why Facebook is totally different to any other marketing. How to write effective messages to Facebook and what most authors get wrong. An introduction to the software. How to use the software to create lists. How to target your Facebook messages. How to send up to 6000 messages a month without being banned. How to get Facebook advertising for less than 3c per click. Included with the book are supporting documents; spreadsheets and checklists to track your efforts. The book marketing techniques shown in this book are comprehensive, detailed and most importantly, proven to work. **IMPORTANT NOTE:** To use the techniques in this book you will need to make an investment in

some software. Take A Look Inside Before you buy this book, take a look inside at the first chapter by clicking the image at the top of the page. This is suitable for KDP self publishing, Kindle countdown deals, Kindle Matchbook and anyone that wishes to become a self publisher.
