

## AQUA - Venetian Nights (Aqua Series, Vol. 1, Book 1) (Aqua Romance Travel Series)

One of the best books I've read in long time and I read a lot of books. The characters are fully developed and you feel like you've known them in another life. I can't recommend this book strongly enough. Amanda S. Jones has created a masterpiece. - J.A. Church Step aboard the cruise ship Aqua as it sails from Venice to the Greek islands and immerse yourself in exotic locations, steamy seduction, and sumptuous food. In each book in the Aqua series, new characters, destinations, and experiences are introduced to the familiar cruise ship, and become interwoven with the last. Love happens on the Aqua. In this first installment, Venetian Nights, meet tough-minded professor Casey Trevitter, who yearns for a gentle man ever since she was presented with the option of a mastectomy as a preventative breast cancer measure. She meets workaholic businessman Harry Ferro, who longs to start over again and explore his creative side after the death of his beloved mother. After a passionate encounter in Venice, Casey and Harry meet again on the cruise ship, where they are faced with complex decisions. Travel with Casey and Harry and see what's in store for them with the help of the ship's crew, a Greek island, and a leap of faith.
