

Blackjacks Hidden Secrets, Win Without Counting (New & Expanded Edition)

Short, concise and to the point. This blackjack book doesn't beat around the bush. It's easy to read, simple to understand and uncomplicated to apply. You can be playing, with this no card counting system, in just an afternoon and taking advantage of its 78% win average. *Blackjacks Hidden Secrets, Win Without Counting* shows you how to determine the exact amount of money you should bring to the casino and how to spot hot and cold trends. It will have you automatically betting more when you're hot, less when you're not and teaches you when to leave. Winning at blackjack is more than a possibility, it's a proven mathematical fact! This system also has its very own tutor card, which can be taken to the tables with you, so you'll never feel alone or lost for answers.
