

## Why You Lose at Bridge

This vintage book contains a detailed guide to playing bridge, with information on common mistakes and how to avoid them, simple instructions for improved play, and a wealth of useful little hints and tips. This book is designed for the ordinary club member with a fair amount of playing under their belt and a knowledge of the more popular systems of play, and it would prove invaluable to those fitting this description who want to improve their game. The chapters of this book include: The Points you Lose - Ignoring the Odds, The Points you Lose - Playing the Dummy, The Points you Lose - in Defense, The Points you lose - in Bidding, The Points you Lose - in Not Doubling, Your Battlefield, Dont Teach your Partner, et cetera. We are republishing this volume now complete with a specially commissioned new biography of the author.
