

Living and Working in Canada: A Comprehensive and Practical Guide

If you're thinking of moving to Canada, get this book to guide you step-by-step through the whole Canadian immigration process. It will give you invaluable help in finding a place to live, getting a job, or starting a business. Education is also covered, from pre-school right through to university life. And it looks at everyday issues such as rules of the road, shopping, and simply having fun. In fact, it provides all you need to know to enjoy this wonderful country.
