

An Alphabetic Collection of Ridiculous Medical Poetry and A Devils Dictionary of Medical Specialists

If laughter is the best medicine, then this collection is sure to cure what ails you. From the lowly Appendix to the lesser-known Zonule of Zinn, these playful poems present an alphabet of body parts. The accompanying Devils Dictionary plays havoc with various medical (and some non-medical) definitions. A definite must-read for anyone who enjoys humor, especially those in the medical profession.
