

## The Blue Food Revolution

The Blue Food Revolution is the story of a young man and a young woman travelling the world in search of adventure, enlightenment, fun, and possibly each other. What they experience astonishes them, terrifies them, enralls them, saddens them and unexpectedly kills one of them. She was a girl from an alpine village where she tried to murder her sister. He was a bank clerk from Reading whom her sister tried to murder. Theirs was a marriage made in heaven.. .but would they ever meet?
