

On the headwaters of Peace River;; A narrative of a thousand-mile canoe trip to a little-known range of the Canadian Rockies, (The Premier collection)

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the worlds literature in affordable, high quality, modern editions that are true to the original work.

Regional Priority Conservation Projects (PDF, 522 KB) - NYS DEC Today there are over six thousand miles of railway in the province of Alberta Alberta as a name in the annals of Canada was not known before 1882, He was given little support except a license to pursue the fur trade in these remote regions. two canoes, who ascended the river Paskoya as far as the Rocky Mountains, **Banff Mountain Film and Book Festival Program by Banff Centre for National Park Collection - Retro Travel Posters.
