

The Eleventh Commandment-Volume 9: Evidences on the fraud by Tribunal and Ombudsman- black & white version. (The Eleventh Commandment)

Volume 9 provides qualified & irrevocable evidences of the fraud of the Tribunal in Perth & of the Australian Financial Ombudsman in a conspiracy to conceal the organized land valuation fraud by Valuer General with the silent blessings of the Australian government. This is called The Australian Fraud. This is dealt with in other volumes particularly volumes 3 & 4 in The Main. The Australian Fraud is sponsored by the Australian banks with a devious strategy; {We know nothing about land values; we just lend money}. The land valuation fraud of Australia (or The Australian Fraud) is sustained by the illicit funds derived from The Auschina Fraud. The Auschina Fraud is a game of fake war; called iron ore pricing war. All sides of the war have only one objective: escalate the iron ore price; the fulcrum of the world economy. The false pricing of iron ore is a colluded manipulation by Australia and China with Citibank and Australian banks playing significant roles. This is dealt with in other volumes particularly volumes 1 & 2 in The Main. The book series deals with The Eleventh Commandment; Deceive them all lest they knoweth. This volume 9 is stand alone book which supports other volumes of the book series; but mainly the narrative of the criminal conspiracy in Volume 6A & 6B. The information in the book series supports the authors contention that Global Financial Crisis was triggered in 2008 by the iron ore pricing fraud since 2004 by Australia and China; in the case of Australia, directly against its statutes of trade practices & consumer protection. Volume 9 is available in color version and black & white version. The key issues in the evidences & the annotations in those evidences are highlighted in color & are enclosed in colored boxes. So the color version assists to comprehend the issues quicker and faster (Book readers are advised that some books are published with
