

## The Contemporary Cruise

The first book to depict and explore the world of stylish cruises through hundreds of evocative images and an informative text. Today there are cruise options to suit every taste, from the fun and entertainment of a first-class floating resort ship to the quiet elegance of a classic tall ship. Pampering, fine food, exotic destinations it isn't difficult to see why a vacation at sea is a great way to recover from the stresses of ordinary life on land. With over 300 photographs, all specially taken, this book perfectly encapsulates the variety of cruise experiences available: cruising past and present legendary ships, from classic ocean liners to luxury boutique craft alternative cruises, from a journey into the Arctic Circle on board a Norwegian mail ship to travel on a modern freighter fascinating routes and locations, from French Polynesia and the Caribbean to world cruises expedition and nature cruises, including the Galapagos Islands, Antarctica, and the fjords of Patagonia interesting ports of call, from Miami to St. Petersburg to Barcelona river cruises, including the Rhine, the Nile, and the Yangtze. Here are all the ships, the routes, the romantic and exhilarating destinations for a huge number of cruise aficionados and for those ready to be inspired. Four out of five first-timers on a cruise return to the experience: whether you are looking for adventure, luxury, relaxation, or education, there is a voyage for you. 303 illustrations, 295 in color.
