

Cruise Ship and Destination Weddings: As Simple as 1-2-3!

Perhaps, at one time, destination weddings were only possible for the rich and famous, but modern trends show a dramatic increase in both cruise ship and destination weddings. As counter-intuitive as it may sound, making your vows in a distant location can be both less expensive and less stressful than planning your wedding at home. According to statistics posted at about.com, 16% of weddings are destination weddings and the average cost of a destination wedding is 30% less than a traditional one. The number of cruise ship and destination weddings has increased by 400% in the last 15 years. Cruise Ship and Destination Weddings has over 25,000 words and 16 chapters. It takes you by the hand, from selecting a destination to budgeting to planning your dream wedding. All the questions you need to ask and the resources you need are included here in one place. The process of planning a wedding and honeymoon can be overwhelming, but with this book, its as simple as 1-2-3.
