

Discover Frontpage 97 (Six-Point Discover Series)

The Discover series is a quick guide to learning a new technology or topic. It is targeted to people who are new computer users, or individuals who are generally familiar with basic computer concepts, but who are new to a particular technology or software application product. This text advises novice users interested in creating a Web page with Microsofts new WYSIWYG Web authoring programme. FrontPage is well integrated with the Office 97 applications and lets users employ them in the creation of their own Web sites.
