

## One Shot (Jack Reacher, No. 9) (Audio CD)

Six shots. Five dead. One heartland city thrown into a state of terror. But within hours the cops have it solved: a slam-dunk case. Except for one thing. The accused man says: You got the wrong guy. Then he says: Get Reacher for me. And sure enough, from the world he lives in - no phone, no address, no commitments - ex-military investigator Jack Reacher is coming. In Lee Childs astonishing new thriller, Reachers arrival will change everything - about a case that isnt what it seems, about lives tangled in baffling ways, about a killer who missed one shot - and by doing so gives Jack Reacher one shot at the truth....
