

Biblias Guide to Warrior Librarianship: Humor for Librarians Who Refuse to Be Classified

Examining the lighter side of librarianship, this book presents a combination of outrageously funny cartoons, commentary, and wit. Globally known as Biblia, the Warrior Librarian, Amanda Credaro has teamed with cartoonist Peter Lewis and produced a book that expands on her award winning web site, Warrior Librarian Weekly, the product of many years of experience in librarianship. Equally applicable to all types of libraries, the work offers humorous advice, typical situations and dilemmas, and helpful examples that will be appreciated by anyone who has ever worked in a library. An additional section features a glossary of library terms, abbreviations, professional associations, and other resources.
