

Duffys Iowa Caucus Cartoons: Watch Em Run (Iowa and the Midwest Experience)

Brian Duffy has been poking fun at the Iowa caucuses for just about as long as theyve been a media circus, since the 1970s. Now, the longtime editorial cartoonist has gathered a selection of his best images lampooning the politicians on their quadrennial stampedes through Iowas fields and towns. Whether youre anticipating or dreading the onset of another caucus season in 2016, this book will put it all into perspective. From Jimmy Carters innovative 1976 effort to Barack Obamas come-from-behind win in 2008, from George H. W. Bushs storming to victory in 1980 to George W. Bushs coasting to his win in 2000, from Gary Harts peccadillos in 1988 to John Edwardss missteps in 2008, from Elizabeth Doles determination to breach the White House boys club in 2000 to Hillary Clintons fall from frontrunner to third place in 2008, here is American presidential campaigning in all its glory. With pigs.
