

## Eckhart Tolle: 50+ Eckhart Tolle Best Life Lessons

Eckhart Tolle The Amazing story of Eckhart Tolle has shocked the world ... Eckhart Tolle was in continuous pain and suffering from his life and he almost committed suicide, because he had lost faith in himself and in humanity. The pain was so intense that he thought that it would be impossible for him to live in a world where one has to suffer. One day in the middle of this turmoil he experienced the most beautiful and powerful spiritual awakening. That painful situation made him see things completely different. It was as if the whole world had changed and surrendered at his feet. Eckhart Tolle had a spiritual rebirth and started a new life with much more serenity and happiness. From that day instead of worrying about the future, or regretting the past, he found happiness at the present moment. How can a regular man in the middle of a depression turn his life around so fast? Eckhart Tolle was stressed, depressed and had lost hope. He needed just a magical day, a life-transforming experience and all his problems disappeared instantaneously. He found peace, love and happiness within himself. He is now inspiring millions of now devout followers to a new way of living based on love and not on fear. Eckhart Tolle had already helped millions of human beings to live a happy life and hopefully he will be able to help many more, including you.
