Photographer/author, Michael Malott (Blvd. of Broken Dreams) once again presents a compilation of photography art centering on one single subject. In FASHION WINDOW, Malott has assembled over one hundred photographs taken directly from window displays at leading fashion retail locations, including Luis Vuiton, Coach, Hugo, Diesel, Macys, Bloomingdales, Tiffany, Aramani, and more. In typical contrasting Malott style, he has presented each of these images in black & white format, to leave colors to the imagination of the reader.
