

Boys Will Be Boys: Postcard Book #45

New Postcardbooks A successful product in a new look. Larger size - new design - at a more favourable price - this is how we have improved an already popular bestseller. Due to an independent title layout our postcardbooks are not only a collection of postcards but an illustrated book in pocket size. Also as a result of the new, low price, the postcardbook is a sales hit even for the not so well-heeled, too.
