

## London & Southeast with Kids (Footprint Travel With Kids)

London & Southeast with Kids is the ideal source of information for fun activities in this most vibrant part of England, providing the perfect balance of practical advice and inspirational ideas. It covers all the best activities, sights, and big days out, along with the best places to stay and to eat. Gorgeous photos highlight Footprints family holiday favorites. The guide is divided into the key regions providing information on a tremendous array of activities and on both major sights, such as the Tower of London, and lesser-known attractions. All entries for attractions, accommodations, and places to eat include GPS-compatible information. Insider information ensures you the best value for your stay, and suggested reads for kids and adults will whet your appetite before you depart. Last but not least, each section includes fabulous ideas for rainy-day fun.
