

## From Plassey to Pakistan: The Family History of Iskander Mirza, the First President of Pakistan

From Plassey to Pakistan is an extraordinary study of 300 years of Indian and Pakistani history from the perspective of the Nawab Nazims, the powerful rulers of Bengal, Bihar, and Orissa. As the last direct descendent of the Bengal Nawabs and the only surviving son of Iskander Mirza, Pakistans first President, author Humayun Mirza explores the events leading to the British acquisition of the Indian subcontinent, Indias independence, and Pakistans secession to become a separate nation state. He then tells the story of his fathers rise to power and the military coup that toppled his government, resulting in his exile. While providing an insiders view of the political events that were instrumental in shaping India and Pakistan, this book paints a picture of the fortunes of a family caught in the tides of history.
