

Glen Luchford: Pictorialism

A visually arresting chronicle of the career of one of the top fashion photographers of a generation. Glen Luchford is a true fashion photographers photographer. His influential and imaginative style iconic, elaborately lit, highly cinematic, with extreme narrativesreinvigorated fashion photography in the 1990s and 2000s. This book is a photographic artists diary documenting the span of Luchfords thirty-three-year career. Presented in the form of one continuous overlapping photographic montage, the book consists of intermixed tear sheets, prints, Polaroids, objects, and ephemera. It includes the young Luchfords first photographs of his U.K. post-punk, new romantic friends in the eighties; the best of his gritty nineties editorials, such as his iconic shoot of Kate Moss for The Face; his polished fashion work and celebrity portraits for publications such as Vogue, Harpers Bazaar, and W; as well as memorable advertising campaigns for Prada, Yves Saint Laurent, Chloe, and Calvin Klein.
