

Africa Travel Map (Globetrotter Travel Map)

The Globetrotter Travel Map of Africa has been specifically designed as guides to both the physical and the political continent. This informative map, with stunning shaded relief, features a large-scale physical projection of the continent and a detailed political map complete with up-to-date statistics. The maps are ideal for home, school and office use, and contain an index of countries and their capitals, a handy flag panel and interesting country facts.
