

## Greater Gospel Magic

In the 100-year history of Gospel Magic, nothing like this has ever been published.

Greater Gospel Magic is a complete work. It deals with the definition of gospel magic, history of gospel magic, character of the gospel magician, performance theory, many specific routines, major types of gospel magic ministry, major classifications of gospel magicians, developing a gospel magic show, dos and don'ts for gospel magicians, top ten gospel magic effects, what makes a gospel magic routine good, understanding showmanship, and even covers such matters as how to get bookings and how much to charge for a performance. When used correctly, gospel magic is a powerful and effective tool. This book teaches what is necessary to do it well. Learn to give solid spiritual lessons that audiences will hear and remember. Gospel magic is a way of bringing humor and an upbeat program into ministry settings. This book offers key information about combining education and inspiration with entertainment. Even for those who don't do gospel magic, this book is a valuable resource. The insights on showmanship are detailed and thorough. The concepts will help beginners avoid major mistakes and assist professionals in reaching higher levels of performance. Greater Gospel Magic is a textbook for those who would use magic tricks in ministry. This is the most comprehensive book ever written about gospel magic.
