

Guild Leadership

This timely work shares valuable leadership lessons from the parallel universes of online games -- lessons that can impact the real world in meaningful ways. In addition, this book: Challenges some classically held leadership tenets; Strives to influence today's and tomorrow's leaders; Demystifies the art of leadership in a fresh new way. It is vitally important for today's leaders to prepare for the world of tomorrow. It is the authors' hope that this book will assist them in their preparation. All of the author's proceeds are being donated to charity (specifically, Marathon Education Partners).
