Take it from an experienced traveller who spent over a year in Saigon and learned so much about life there he had no choice but to put pen to paper to bring you this book. Part reference and part prose, this volume is filled to the brim with information and suggestions no other book will have a clue about. Most importantly, the honesty of these experiences will ring true with any fellow globetrotter. As we all know, one of the best parts of exploring the world is the invaluable advice, as well as the unbelievable stories, we get to share with one another.
