

The Eleventh Commandment -Volume 12A: Evidences for The Fraud of City of Mandurah- black & white version

Volume 12A provides qualified & irrevocable evidences of organized land valuation fraud by City of with the silent blessings of the Australian government & the Australian judiciary. The fraud of City of Mandurah & Gavan Kelly was as clear as sun & sunshine; yet the judges supported the fraud of the State. The land valuation fraud or The Australian Fraud is dealt with in Volumes 3 & 4 of The Main of the series. The land valuation fraud of Australia (or The Australian Fraud) is sustained by The Auschina Fraud. The Australian banks used the illicit funds derived by the false pricing of iron ore by colluded manipulation of Australia and China with Citibank and Australian banks playing significant roles. That is The Auschina Fraud. That is dealt with in other volumes of the book series, particularly Volumes 1 & 2 of The Main of the series. The information in the book series supports the authors contention that Global Financial Crisis was triggered in 2008 by the iron ore pricing fraud since 2004 by Australia and China; in the case of Australia, directly against its statutes of trade practices & consumer protection. This volume 12A is stand alone book which supports other volumes of the book series; by providing evidences mainly for the narrative in Volume 12. The book series deals with The Eleventh Commandment; Deceive them all lest they knoweth. Volume 12A is available in color version and black & white version. The key issues in the evidences & the annotations in those evidences are highlighted in color & are enclosed in colored boxes. So the color version assists to comprehend the issues quicker and faster (Book readers are advised that some books are published with different titles.)
