

Heads of States and Governments: A Worldwide Encyclopedia of over 2,300 Leaders, 1945 Through 1992

From the end of World War II to the conclusion of the Cold War and dissolution of the Soviet Union, over 2,300 emperors, kings, presidents, prime ministers, premiers, emirs, and other heads of states and governments have served their nations. All are included in this exhaustive reference work. Biographical information is provided for each leader along with an overview of his or her term in office. The data provide a thorough and exacting summary of the contributions of the men and women who have helped shape postwar history.
