

# QuickBooks 2009 on Demand

Need answers quickly? QuickBooks 2009 on Demand provides those answers in a visual step-by-step format. We will show you exactly what to do through lots of full color illustrations and easy-to-follow instructions. Produce and customize reports that show exactly how your company is doing. Schedule transactions so you'll never forget a due date again. Bill time and expenses directly to customers. Use the new QuickBooks features for 2009, including a redesigned Payroll Center and the new Accountants Copy that lets you keep working while your accountant reviews your books. Create and use a budget. Reconcile your bank account to the penny without waiting for the bank statement to come in the mail.

Keep detailed records of fixed asset acquisitions. Protect financial information with the latest in security techniques. Send customized mailings to your customers and vendors. Learn tips and shortcuts to help make your QuickBooks experience more efficient and to customize your program to fit your style.

Process transactions the right way by following the accounting rules interspersed throughout the book.
