

Components of Murder: A Gene MC Lain Crime Classic

High-tension thriller based on a true story as reported and solved by Gene Mc Lain the man called the greatest investigative reporter of our time. Winner of seventeen Story Of The Year awards, five Big Story awards and nominated for the Pulitzer Prize. The year was 1950 when a missing persons report turned into one of the most suspenseful stories of a double homicide ever recorded. It was a perfect crime. No motive no clues. Against all odds McLain found the bodies, then caught the killer three thousand miles away from the scene of the crime.
