

Multimedia Retrieval (Data-Centric Systems and Applications)

Based on more than 10 years of teaching experience, Blanken and his coeditors have assembled all the topics that should be covered in advanced undergraduate or graduate courses on multimedia retrieval and multimedia databases.

Web Information Retrieval - Google Books Result CFP: Intelligent Systems for Digital Archiving, Analysis and Documentation of CFP: Advances in Security and Privacy of Multimedia Big Data in Mobile and Cloud CFP: Emerging Multimedia Technology for Multimedia-centric Internet of Things CFP: Semantic Approaches for Multimedia Retrieval Applications (deadline **dblp: Data-Centric Systems and Applications** Arjen P. deVries Henk Ernst Blok Ling Feng (Eds) Multimedia Retrieval Springer Data-Centric Systems and Applications Series Editors M.J.
