

## Collecting African American History

Experience African-American history and culture through collectible artifacts! This comprehensive volume is the first illustrated book to offer in-depth information about African-American collectibles and to place them in their original cultural context. Inside you'll find:

Practical advice on distinguishing fakes  
Useful tips on how to restore and store objects  
A timeline of African-American history  
Types of artifacts according to topic: slavery, politics and civil rights, music and entertainment, sports, art, spirituality and religion, education, and popular culture  
Financial information  
And more!  
With over 300 beautiful photographs, this remarkable guide will be a classic reference for collectors, whether novices or devotees.
