

## God Sent Me Back

God Sent Me Back, tells the incredible true story of a Modern-Day Lazarus Nigerian pastor, certified dead following an automobile accident but raised from the dead three days later at a crusade where evangelist Reinhard Bonnke was preaching. The dramatic story of the resurrection of Daniel Ekechukwu is so well-documented that Bonnkes Christ for All Nations (CfAN) ministry released a 45-minute video of Ekechukwus testimony, also interviewing the doctor and mortician who provided the death certificate as well as describing the injection of embalming fluids three days before Ekechukwu was revived. CBN and other news agencies interviewed evangelist Bonnke, who confirmed the story as true. Now, for the first time, read the complete and astonishing story in full, with actual images of the before and after resurrection from the dead!
