

How Moms Are Making Money Selling on eBay: How One Mother Took Other Peoples Trash and Turned Them Into Profitable Treasures

This is the story of how one mother started selling easy to find, used items at thrift stores and garage sales on eBay and turned it into a full-time income. In this book you will get information such as:

- * How this mother sold ONE dinner plate for \$125 within 24 hours of buying it!
- * How she made over \$450 selling UGLY used shoes
- * What actually DOES sell and DOES NOT sell on eBay right now
- * How to use a special method of buying items in bulk and splitting them up to maximize profits

If you have ever wondered how to find the right items, how to research them, how to price items, how to package and ship items or anything else related to selling on eBay, this down to Earth guide will help you do it. The author has first hand experience that can walk anyone through the fun and exciting process of making a living by selling on the online giant called eBay. With real life stories, this book is an entertaining and informative guide for moms who want to change their familys income and future.
