

Birnbaum Guides 2012: Walt Disney World Pocket Parks Guide: The Official Guide: Expert Advice from the Inside Source

Once guests have planned their trips (with help from the classic Birnbaum Guide), they are encouraged to take this smaller book along with them on their Disney Vacation. Easily slipped into a pocket or a purse, the guide works as a handy, on-site reference for Walt Disney World theme parks, water parks, golf excursions, biking, boating, and more! Featuring a day-planner, removable park itineraries, and a secure pocket to keep your passes, this recent addition to the Birnbaum series is a must-have for WDW travelers. This year's guide contains the pocket-sized lowdown on all the new shows, parades, and attractions that Walt Disney World will welcome in 2012; complete coverage of Fantasylands expansion, the biggest in Magic Kingdom history; details on Star Tours II, a dazzling new 3-D attraction at Disney's Hollywood Studios; and insight on little-known Disney Park gems. Plus, for guests who don't have restaurant reservations, we'll tell them how to get a great meal on the go. This new edition also includes updates on Fastpass, Disney service that allows guests to bypass long attraction lines--for free!
